

Flip flops, Crazy, summer -1626 trends, front line information, peach sauce, sweet food! Nike KD 10, - News Reports Release

Like Tee, flip flops are part of the "democracy" element of fashion, . In the full sense of design patterns and colors and color, not my body and the wearer. Do not think that flip flops can only be equipped with a beach like leisure wind, in recent years, the popularity of men's clothing slimming feeling, but also achievements of the flip flops.

Stussy x Converse, following the Timberland, the U. S. Street brand Stussy recently renewed cooperation with Converse, launched 2013 new autumn and winter Chuck, Taylor, All, Star, Hi series. This is the two sides following the beginning again, design by the Chuck Taylor All Star Hi as the theme, the use of high-quality embossed leather to create three different colors of the shoes, and joined the Stussy logo on the tongue, which highlighted by the theme. It seems like the recent Stussy joint is very frequent.
