FOOT INDUSTRY 2017 S/S Fly 4.5 " LIZARD " series of shoes was born, " LIZARD; " (lizard) created from " A lizard will regenerate its tail if it's cut off. " (the lizard tail was cut off, it will regenerate a tail.) It is beautiful and mysterious, and the broken tail represents the indomitable vitality and the spirit of perseverance.

" LIZARD " a series of 5 color matching, four solid color concept, based on environmental protection appeal. As you know, lizards are reptiles, and their history can be traced back to two hundred million years ago. Because of the global warming in recent years, many species of precious lizards are facing the danger of extinction. (Note: studies show that the increase in temperature causes a dramatic increase in the male proportion of lizards and may eventually become extinct because of the lack of females As a result, four solid colors are inspired by endangered or endangered species of lizards.

Komaini (Dragon  
Komen)

Cyclura Nubila (C. nubila)

Hemidactylus Frenatus (warts, lizards, tigers)

Blue Iguana (blue iguana)

Camouflage (lizard Camo)

traditional hand woven and frosted Leather Cross combination, large stretch LYCRA as inner boots, easy to wear and tear off. The simplification of the buckle makes it easy to adjust and adds new braided lines that mimic the tail of a lizard. The above is made with the continuous use of " , BOGIE, " and outsole. FOOT INDUSTRY was officially released on June 18th. Four solid colors >
