there was closely relationship between PF-Flyers and Converse, recently was again highly sought after, whether influenced by the "word of those years, it is not known, but it is certain that this" in those years, we were chasing the shoes brand ", and recently works by local tide shop introduction of smuggled goods! After a few months ago, the high tube type "Center Hi" shoes imported PF-Flyers signs, copy the smuggled goods tide shop on the introduction of another classic "Rambler Hi". Canvas shoes, diamond toe shoes and even side badges, in the 1943 edition of Rambler Hi as the blueprint. Therefore, the biggest difference is that copy of the production part, Ganso version of the 1943, is responsible for the production of Goodrich by the American label BF. And engraved version, then produced by the New Balance, although not the original production, but in exchange for more solid shoe-making technology, \$499 yuan this price, never too much!
