creates

for girls

: do girls often feel frustrated about their favorite colors without their own size? Recently, the well-known well-known trend brand X-Large girl line X-Girl, launched a close collaboration with New Balance shoes. The shoes modeled in MT580, the body of the shoe with light grey and white as the main color, with blue water, cherry flavor powder embellishment, girl. In addition, shoelaces and shoelaces buckle on the X-Girl word is also very pleasant, like the sisters may wish to pay more attention in the near future.
