recently, ASICS and New Jersey shoes shop Packer Shoes cooperation launched Gel Lyte V Gore-Tex. This design, the use of advanced upper Nubuc equipped with ripstop nylon material, and lined inside with Gore-Tex, truly waterproof breathable, lightweight, the overall feeling and sense of fashion sense function.

recent Air VaporMax momentum can be described as very fiery, and its full sense of the future of the appearance, but also very suitable for designers to transform. The day before the guests from Hongkong shoes division @ogreziv to show his and a pair of Air VaporMax reconstruction works. Modeled on the Nike Air VaporMax "Triple Black" color, the laces were removed and replaced with black and fluorescent yellow double color zippers. The most interesting change was that the designer added a "boot" to the Air VaporMax, and the inside of the shoe was dotted with fluorescent flying lines that looked quite avant-garde.
