sports brand Nike's classic running shoes, Internationalist recently ushered in the new "Escape" color. Used in the design of high-grade leather shoes constitute the main body, through the combination of shades of brown color to create a steady retro texture, making contrast to the injected red laces and heel, then Swoosh and EVA in the collocation of white bottom, and rubber outsole and Waffle. Currently, the shoes have been purchased through SUPRA, priced at about \$125 U. S. dollars.

Terra Plana also has several brands such as Terra, Plana and Vivo Barefoot. Among them, Vivo Barefoot is the most popular. Vivo Barefoot is the bottom glue made of environmentally friendly materials, and always adhering to the Terra Plana principle of light material which does not add more pressure for the feet; thin soles, like walking barefoot, suitable for human science; structure is enough to protect the formation of footsteps. Finally, >
