---

fresh, blue, green,

earlier released in Instagram preview photos and much anticipated, by the New York popular designer Ronnie Fieg and sports brand ASICS teamed up to build 2014 spring and summer shoes officially released. In the classic Gel Lyte V contour, suede and mesh fabric shoes, respectively, with navy, mint, green tone coverage, details are complemented by 3M reflective and white light amount of midsole, the overall effect is very refreshing and pleasant. These two pairs of brand new joint shoes will be officially released on April 5th, I wonder if it will cause a wave of panic buying? Don't miss a friend who wants to join the buying rush.

Tinker Hatfield classic design variants to Nike Air Max 90 Utility, in the winter of this year to carry the "new style waterproof mask" debut, after seeing the olive green version, the new version before the official debut is white. In the classic profile Air Max 90, designed by the designer bold zipper waterproof cover, not only protect the sock type lining from winter rain, also let the appearance design is more of a sense of fashion and avant-garde. As for the sole part, it retains the Air Max 90 signature type Max Air unit, which is a modern interpretation of the classical design. Currently, the shoes have been sold at Titolo and other stores.
